Dear Miss Smith,

What I take to be the materials referred to in the penultimate paragraph of your letter of June 23 have arrived. Thanks.

In checking them over I find some pages missing/other than those for which there is a record indicating they were not to have been provided.

One appendix to the long memorandum on Oswald's Foreign Activities, undated in the copy supplied, is a CIA memorandum of April 6,1964 on "Certain Questions Posed by the State Department."

In what was sent me there were only Mr. Helms' covering letter and the second page of this memorandum.

There was also a memo from the Int Memo for Record file To:Records, by W. David Slawson, the subject of which is "Conference with the CIA on March 12,1964."

This document was declassified 1/24/75.

The first page only was sent me.

I would appreciate copies of these missing pages.

Thank you very much.

Sincerely,

Harold Weisberg
